Support for Petition to Revive

Applicants did not receive the Advisory Action nor the Notice of Abandonment at the address of record. The facts surrounding this situation are set forth below, along with Assignee's response and comments.

Summary of Relevant Facts

In the present application, a change of address form, attached as Exhibit A hereto was filed on April 17, 2007, changing the address of record to the address associated with Customer Number 56744.

A change of power of attorney was also filed in the present application on December 19, 2005, and is attached hereto as Exhibit B.

During the prosecution of this application, and after the filing of both the Change of Address and Power of Attorney, the United States Patent and Trademark Office ("USPTO") continued to communicate with Mr. Louis Morris of Akzo Nobel's legal department at 7 Livingstone Avenue, Dobbs Ferry, New York 10522-3408. During Mr. Morris' time at the Dobbs Ferry address, he forwarded Assignee's mail to the correct address.

During the time of Mr. Morris' forwarding Assignee's mail, Assignee contacted the USPTO several times via telephone to inform the USPTO of the filing of the change of correspondence address and request a correction, but no correction was made.

On June 13, 2008, an Advisory Action was issued in the present application, and the Advisory Action was mailed to Mr. Louis Morris of Akzo Nobel's legal department at 7 Livingstone Avenue, Dobbs Ferry, New York 10522-3408.

Mr. Morris had relocated his office from the Dobbs Ferry address, and the Advisory Action issued by the Examiner was sent to Mr. Morris' Dobbs Ferry address. It was returned to the USPTO as undeliverable.

On August 10, 2009, the USPTO sent a Notice of Abandonment to Mr. Louis Morris of Akzo Nobel's legal department at 7 Livingstone Avenue, Dobbs Ferry, New York 10522-3408. It was also returned to the USPTO as undeliverable.

Attached as Exhibit C is the record now available from the PAIR system indicating the correct address associated with Customer Number 7982, but the incorrect customer number and incorrect listing of attorneys of record.

Assignee's Comments and Remarks

Assignee was unable to reply to the Advisory Action because it was not received, and the entire delay in responding to such Advisory Action was unavoidable. In short, since Assignee did not receive the Advisory Action, it was not able to ascertain that the response to the Final Office Action was not entered and accepted as placing the application in condition for allowance.

Applicants submit herewith a Notice of Appeal in response to the Advisory Action.
